## **MORE THAN SAFETY**

December 17, 2015

Mr. Nguyen Ha Minh Tuan - Site Manager of Aeon Delight VN at Aeon Mall Canary, Binh Duong said: "We always put the safety of customers to the top, in which activities, declared fire safety transmission is also preferred over all. From the actual situation and characteristics of business activities of Aeon Mall Canary, ADV always enhance the initiative in the prevention of fire and explosion and timely and effective handling in case of fire situation. It will happen, continue to disseminate, propagandize, equip the staffs working in the center of basic knowledge about fire prevention and fighting, know how to escape, save people, save property and know how to use convenient to fire when a fire occurs at the premises. "
